MACQUARIE
University
SYDNEY • AUSTRALIA

(YOU)^{us}

When your potential is multiplied
by a university built for collaboration,
anything can be achieved.

*That's **YOU** to the power of us*

“I chose Macquarie for my Bachelor degree because of its reputation for practical curriculum and academic excellence in chiropractic science. The Standard Foundation program at Macquarie University International College helps me transition smoothly into the academic and social setting of my undergraduate degree at university. My favourite part about Macquarie is my amazing and supportive lecturers; they inspire me to be the best that I could be, in and out of the classroom.”

(YOU)^{us} CAN STUDY IN SYDNEY

If you are looking for a safe and friendly destination offering a dynamic and multicultural experience while you study, look no further than Sydney.

STUDY IN THE BUSINESS CAPITAL OF AUSTRALIA

Sydney is home to more global firms than any other Australian city. A gateway to Asian economies, the city houses regional headquarters for over 500 multinational companies. If you are looking to learn from the best business minds in the world, you have come to the right place.

EXPERIENCE A LIFESTYLE LIKE NO OTHER

Impressive beaches, iconic buildings, year-round festivals, beautiful weather and a thriving sports culture, Sydney's got it all! Experience a relaxed lifestyle, visit astounding landscapes and enjoy high living standards in this diverse and cosmopolitan destination.

IMMERSE YOURSELF IN A MULTICULTURAL POPULATION

More than 28%* of Australians were born outside Australia, contributing enormously to the nation's rich cultural diversity. In Sydney, you can experience first-hand a multicultural lifestyle through a wide range of languages spoken and understood, international cuisine options and year-round festivals.

A CAMPUS BUILT FOR (YOU)^{us}

Macquarie is uniquely located in the heart of Australia's largest high-tech precinct. Such a location enables you to connect with future employers in some of the country's leading organisations while you're studying. Macquarie is also home to some of Australia's most exceptional facilities through which you'll connect with innovative teachers and researchers to achieve extraordinary things.

AUTOMATED AND SUSTAINABLE LIBRARY

A centrally-located learning and research facility, which houses the first automated book storage and retrieval system in Australia, a green roof, an exhibition space and dedicated postgraduate study area.

AWARD-WINNING INNOVATION HUB

A dynamic and vibrant space where researchers, students, small and medium-sized enterprises (SMEs) and industry partners collaborate to foster innovation and entrepreneurship.

MACQUARIE UNIVERSITY METRO STATION

The only Australian university with an on-campus metro station, featuring new driverless, fast and safe trains – providing you with frequent train services from campus to the Sydney city centre and surrounds.

ON-CAMPUS HOSPITAL

Australia's first not-for-profit teaching hospital on a university campus provides you with practical learning experiences and improves the health of patients and the community.

MACQUARIE PARK INNOVATION DISTRICT

Macquarie is a key partner in the Macquarie Park Innovation District (MPID) – Australia's premier innovation hub. Bringing together talented students, pioneering academic researchers and seasoned industry professionals in Sydney's fastest growing business region, the vibrant technology park is set to transform the way collaboration and innovation is catalysed.

180+
LARGE INTERNATIONAL
ORGANISATIONS

200+

A portrait of TaeHo Son, a young man with short dark hair, smiling at the camera. He is wearing a grey t-shirt with a colorful graphic of a tiger's face and a dark grey blazer. The background is a light blue gradient.

“My Macquarie degree provided me with a solid foundation to jumpstart my career as a global entrepreneur. One of the most important skill sets Macquarie has taught me is communication, how to translate complex findings into a language that business leaders, legislators and the public could easily understand. My decision to study at Macquarie and in Australia is definitely one of the best decisions of my life.

My most recent career highlight was winning the Best of CES 2020 awards from Engadget for the Olive Union Smart Ear, a single-ear hearing amplifier that improves the auditory experience for people who suffer from some form of hearing loss.”

TaeHo Son

(YOU)^{us} CAN MULTIPLY YOUR EMPLOYABILITY

It's our mission at Macquarie to prepare you for the future – whatever it's going to look like for you. With experts predicting that by 2025 around 50 per cent of jobs as we know them today won't exist, it's vital that when you graduate you have a skill set that allows you to reinvent yourself in any industry. So we'll encourage and support you to develop your practical know-how alongside your technical skills, grab opportunities to experience new things here in Australia and across the globe, get as much hands-on experience as you can, and network with our industry and community partners.

PRACTICAL INTERNSHIPS AND WORK PLACEMENTS

With our unique PACE (Professional and Community Engagement) program, you could intern at a multinational organisation, work on real-world business problems, and build invaluable work and life skills that set you apart from other graduates.

GLOBAL LEADERSHIP PROGRAM (GLP)

The GLP is an extracurricular program that can be undertaken alongside any degree at Macquarie. As a GLP student, you'll undertake practical experiences and attend exclusive workshops and events, through which you'll develop an understanding of major national and global issues and distinguish yourself amongst other graduates.

ON-CAMPUS INNOVATION HUB

Our on-campus incubator can empower and enable you to make your business idea a reality. Researchers, small and medium-sized enterprises (SMEs), entrepreneurs and start-ups all use the space, so you'll be in close proximity to an energetic start-up community. You can also participate in entrepreneurial programs, international exchange program, while connecting with like-minded peers and accelerating your business idea.

CAREER AND EMPLOYMENT SERVICE

Our on-campus career development experts can help you prepare a resume, identify career options and gain the skills necessary for your chosen career. We also host industry networking nights and careers fairs on a regular basis to connect you with employers and industry bodies.

OUR GRADUATES WORK FOR SOME OF THE MOST RECOGNISABLE GLOBAL BRANDS:

STUDENT LIFE CUSTOMISED FOR (YOU)^{us}

VIBRANT AND DYNAMIC STUDENT LIFE

University is about much more than graduating with a degree. It's also about awakening your adventurous side and trying new things, creating networks on campus and around the globe and, most importantly, making friendships that last for life.

- **Orientation** – A week-long Orientation program is held the week before classes start. You can find out about student groups, support services and extra-curricular programs while meeting new friends from around the world.
- **Student clubs** – With more than 130 student groups and sports clubs, Macquarie offers ample opportunities to meet new people, experience other cultures, test ideas and develop personal skills.
- **Competitive and social sports** – If you enjoy team sports, competitions run each session and include sports such as basketball, futsal, netball and touch football. Our sports clubs also offer a range of competitive and beginner programs in Australian Football League (AFL), cheerleading, cricket, soccer, skiing and many more.

COMPREHENSIVE SUPPORT AND SERVICES

Studying at university is an exciting time but adjusting to university life can sometimes be challenging. To help out, Macquarie offers a range of resources and support programs that you can access while on campus.

- **Mentors Program** – one of Australia's longest-running peer support programs, helping you adjust to university life and find your way around the campus.

mq.edu.au/mentors

- **Learning Skills Unit** – offers free workshops, drop-ins and online resources on academic writing, referencing, exam strategies and more.

mq.edu.au/learningskills

- **Student Wellbeing** – offers a suite of health and wellbeing services including counselling, disability, welfare, advocacy, medical and religious support.

mq.edu.au/wellbeing

Macquarie University Village combines independent, apartment-style living with a busy social events calendar and a 24-hour support network.

Morling Residential College is a 100-bed facility situated next to Macquarie. It offers a wide range of affordable accommodation options, from catered to independent living.

Featuring 22 self-catered, fully furnished, two-storey townhouses, **Herring Road Apartments** is situated on campus across the road from the Macquarie Centre shopping complex.

Dunmore Lang College is an all-inclusive college with a strong focus on artistic, recreational and educational pursuits. Full board options, gym membership and tutoring are included.

STUDENT ACCOMMODATION

Safe, supportive and fun accommodation makes all the difference to your university experience. Our friendly team at Macquarie Accommodation Services can help you find the best housing options for you, including female-only or male-only accommodation. If you need a temporary place to stay, we can help you with that as well.

ACCOMMODATION PRICE GUIDE

Macquarie University accommodation	Weekly cost* (AU\$)
Twin/share room	From \$177
Single room with shared bathroom	From \$227
Standard studio	From \$390
Single, fully catered college room	From \$500
Single, fully catered college room with ensuite	From \$600

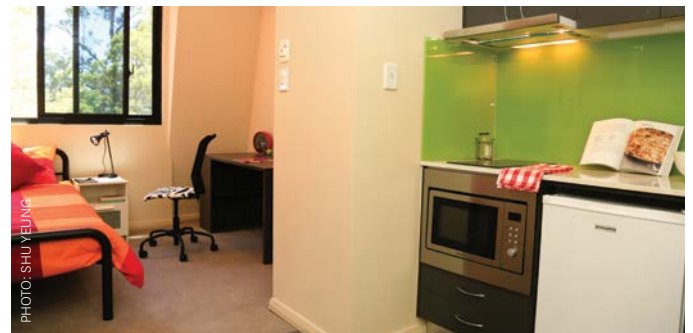

*Prices are estimates and may change.

Iglu offers modern student accommodation right next to Chatswood Station, a 10-minute train ride to Macquarie University and only 20 minutes to central Sydney.

Robert Menzies College offers both self-catered and fully catered accommodation in private, fully furnished study bedrooms with shared bathrooms or private ensuites.

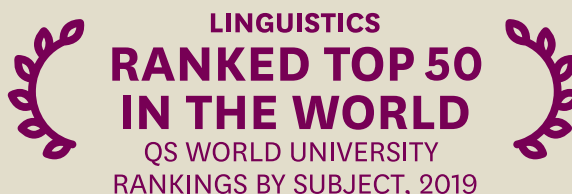

Located within walking distance to campus, **Dayman Apartments** offers modern facilities and a secure and quiet environment in which to live and study.

COURSES MADE BY (YOU)^{us}

Courses made by You to the power of us. It's our approach to learning inspired by the world of ever-increasing change. Imagine being empowered with greater choice, flexibility and diversity in order to meet this change. Well, that's exactly what we've embodied in our innovative curriculum.

More flexible and better aligned to your needs, our curriculum will deliver you a richer experience that will enable you to gain broader or more specialised knowledge in the areas that interest you and empower you to pursue the careers of tomorrow.

*That's **YOU** to the power of us*

INTRODUCING AUSTRALIA'S LARGEST RANGE OF 1 YEAR MASTER DEGREES

In our innovative and flexible curriculum, we have created a course structure that allows you to graduate sooner and complete a master degree in as little as 1 year.

Depending on your prior qualifications, work experience, or other recognised prior learning, you may be eligible for a 1-year admission point. The 1-year admission point only requires you to complete the Core Zone units, covering the specific disciplinary or professional requirements of the course.

Visit **courses.mq.edu.au** for more information about our new 1 year master degrees.

CHOOSE FROM 40+

ENTRY REQUIREMENTS: Australian bachelor's qualification in a related discipline or recognised equivalent with a WAM of 50, including substantial study in anatomy and physiology*

CRICOS CODE: 084699J

“My Standard Foundation Program at Macquarie University International College helped me build skills and knowledge for a smooth transition into my Bachelor degree at university. Not only did I get to learn in small class sizes and from experienced university lecturers from day one, I was also empowered to be an engaged and collaborative learner in my assessments and class activities. I’d highly recommend the Macquarie University International College transition pathways to prepare students for university.”

Peter Lee

SOUTH KOREA

STANDARD FOUNDATION PROGRAM

BACHELOR OF COMMERCE GRADUATE

Macquarie University International College

SCHOLARSHIPS FOR (YOU)^{us}

\$10,000 PER YEAR SOUTH KOREA SCHOLARSHIP

Macquarie University is pleased to announce a special scholarship award for students from South Korea who commence their studies in 2020. This scholarship is valued at AUD\$10,000 per year applied towards your tuition fees for duration of your undergraduate and postgraduate coursework programs.

\$10,000 PER YEAR IN SCHOLARSHIPS

As an example you could be eligible to receive \$40,000 in scholarships if you enrol in a 4-year bachelor program or \$20,000 for a 2-year master program

NO APPLICATION REQUIRED

You will automatically be assessed for this scholarship after you meet the academic and English requirements for an eligible coursework program

EARLY ACCEPTANCE DEADLINES

You must accept your Course Letter of Offer and Scholarship Award by our early acceptance deadlines to secure your scholarship place

OTHER SCHOLARSHIPS

Each year, Macquarie University awards over \$4 million in scholarships and grants. There is a wide range of scholarships to welcome students with demonstrated academic merit from diverse backgrounds to our campus.

Visit mq.edu.au/international/scholarships for more information on scholarship eligibility and application details.

MACQUARIE UNIVERSITY INTERNATIONAL COLLEGE SCHOLARSHIP

VALUE: \$3,000 one-off tuition fee grant deducted from your Commencement Fee

ELIGIBLE COURSES: Standard Foundation and Diploma programs in Science, Engineering, Information Technology and Arts at the Macquarie University International College

ENGLISH LANGUAGE SCHOLARSHIPS

VALUE: 50% tuition fee deduction for English Language programs of up to 10 weeks

ELIGIBLE COURSE: English Language Programs packaged with a Macquarie University coursework program

GOVERNMENT AND PARTNER SCHOLARSHIPS

Macquarie University is an approved provider for many international government and academic institution scholarship programs. We also warmly welcome recipients of Australian Government funded scholarships.

“The translation and interpreting courses at Macquarie University are well known for their high quality, and I have already experienced it first-hand. I had the opportunity to meet people from different cultural backgrounds including academics and department staff, who were all very helpful. It was a challenging but worthwhile course, and I’m very proud of my achievement by graduating from the course.

Thanks to Macquarie University, I am now able to work as a professional interpreter and translator.”

TAILOR ENTRY DESIGNED FOR (YOU)^{us}

UNDERGRADUATE ACADEMIC ENTRY REQUIREMENTS

Check if your current qualification is recognised into your chosen course by converting your current qualification score into an Australian Tertiary Admissions Rank (ATAR) on page 25.

mq.edu.au/academic-requirements

POSTGRADUATE ACADEMIC ENTRY REQUIREMENTS

In most cases, entry into our postgraduate coursework degrees requires a bachelor degree equivalent to or higher than level 7 on the Australian Qualifications Framework. Our Admissions team will determine whether your bachelor degree meets the requirement when you apply. Entry to some courses might require a degree in a specific or related field of study and/or a particular weight average mark (WAM) out of 100. The table on page 26 provides indicative WAM conversions for common grading systems in your country.

mq.edu.au/academic-requirements

RECOGNITION OF PRIOR LEARNING

With our Recognition of Prior Learning (RPL) policy, you could get credit for your previous study, reducing the duration of your course at Macquarie and helping you to achieve your career goals sooner.

mq.edu.au/international-rpl

ENGLISH LANGUAGE REQUIREMENTS

The Standard English language proficiency required for entry into most Macquarie University degrees is IELTS 6.5 with no less than 6.0 in each band (or equivalent). Some courses – including education, law and medicine – have higher requirements. You will find the standard English test scores required to meet our standard English language proficiency requirement in the table on page 26.

mq.edu.au/english-requirements

ENGLISH LANGUAGE CENTRE

If you don't meet the English language requirements for entry to your chosen course at Macquarie, you can request an offer of study that includes an English preparation program at the Macquarie University English Language Centre.

elc.mq.edu.au

● Double degree options exist for this course. Minimum entry scores for double degrees align with the higher requirement of the two single degrees.

● Degree has a choice of major or specialisation.

* The Bachelor of Education (Primary) and Bachelor of Education (Secondary) are only available as double degrees with the Bachelor of Arts or Bachelor of Science. If you already hold a bachelor degree and are interested in a teaching qualification, please refer to the Master of Teaching (Primary) or Master of Teaching (Secondary).

^ Entry to Bachelor from this qualification applies to selected schools only.

Visit mq.edu.au/academic-requirements for further accepted qualifications

How to apply

1

CHOOSE YOUR COURSE

Find a course that interests you [courses.mq.edu.au](https://www.mq.edu.au/courses)

2

CHECK ENTRY REQUIREMENTS

See if your current qualification is recognised for entry into our courses and learn how to meet our English requirements.

[mq.edu.au/academic-requirements](https://www.mq.edu.au/academic-requirements)
[mq.edu.au/english-requirements](https://www.mq.edu.au/english-requirements)

3

CHECK SCHOLARSHIP ELIGIBILITY

See if you are eligible to apply for our generous scholarship programs [mq.edu.au/international/scholarships](https://www.mq.edu.au/international/scholarships)

4

APPLY ONLINE OR THROUGH AN AUTHORISED AGENT

- Complete the online application form
[mq.edu.au/international-how-to-apply](https://www.mq.edu.au/international-how-to-apply)
- You will need to upload your certified academic transcripts, proof of English language proficiency (if applicable), a copy of your passport and additional academic/professional documents (if applicable for your selected program)

OR

- Find an authorised representative in your country
[mq.edu.au/find-a-representative](https://www.mq.edu.au/find-a-representative)

5

ACCEPT YOUR OFFER

Once we have assessed your application, we'll send an offer within 2 weeks. To secure your place, accept your offer and pay the required commencement fee.

6

PLAN YOUR TRAVEL

- Apply for your visa as soon as you receive your Confirmation of Enrolment (CoE) from Macquarie
- Purchase Overseas Student Health Cover
- Buy your plane tickets and pack your bags!

7

ARRIVE FOR ORIENTATION (O WEEK)

Arrive for orientation, one week before classes

$(YOU)^{us}$

At Macquarie, we have discovered the human equation for success. By knocking down the walls between departments, and uniting the powerhouses of research and industry, human collaboration can flourish. This is the exponential power of our collective, where potential is multiplied by a campus and curriculum designed to foster collaboration for the benefit of everyone. Because we believe when we all work together, we multiply our ability to achieve remarkable things.

*That's **YOU** to the power of us.*
